Issues of Scale: A Community Perspective

Software Engineering Institute
Carnegie Mellon University
Pittsburgh, PA 15213

March 2008
Panel Objectives

What types of ultra-large-scale systems will there be in your organization/industry?

What do you see as the major scale challenges and issues in your organization/industry?

How do you cope with them today? Will those same solutions work in the future?
Panel Members

John Bloomer, CIO Virtua Health
Bob Kent, Executive Director, SOSSEC
